Dr. J. B. Franklin, Superintendent

Education is the challenge in all schools today. You, as students, face this challenge in Maricopa High School with very good facilities and superior teachers to help you succeed. We want to help you face this challenge . . .

Ultimately, after your parents, teachers, administrators, friends, school buildings and materials get through helping you, the real reason for success or failure in getting your education is YOU.

Do you have a dream? Do you want to excell and leave a mark for mankind to remember you by when you have left this stage of life? Then may I challenge you to strive for excellence in whatever endeavor you undertake. Know that education and the acquisition of knowledge is the key to your success. Know that excellence is achieved only through hard work and a willingness to try. The challenge is there. Will you take it?

ORGANIZATIONS

STUDENT COUNCIL

Along with all the decisions to be made and activities being planned, the Student Council is also involved in Conventions and picnics. On November 22 and 23, the Student Council Officers and Sponsor attended a Convention in Flagstaff which was very beneficial. They were brought up to date on Council procedures and attended workshops which involved fund-raising, etc.

The Student Council sponsored two students to attend TRAGYC in Scottsdale. The two students who attended this meeting were Lana Pearce and Tom Donithan.

As the school year comes to an end, the Student Council members find pleasure and relaxation by involving themselves in a picnic. Each student brings his favorite food and together the members enjoy themselves, playing a friendly game of volleyball, climbing mountains, eating chicken and drinking Coke. The Student Council members look back on the year's happenings and successful activities with great pleasure.

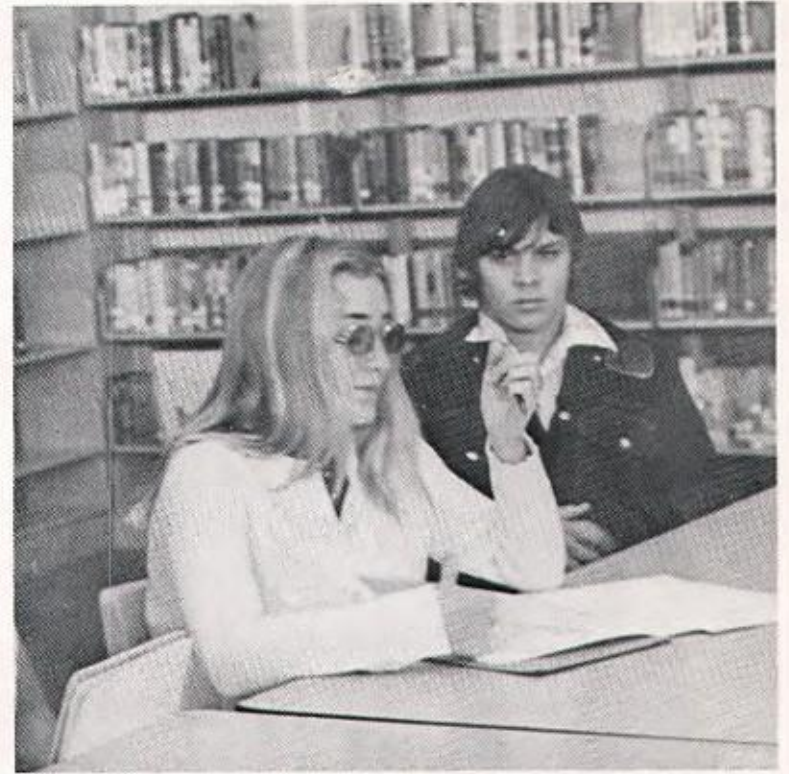

The Student Council officers are: FRONT: Kelly Anderson, President. ROW 2: Suzie Myers, Secretary-Treasurer, Bobby Templeton, Vice-President.

GIRLS' STATE

My trip to Girls' State was very rewarding. I learned so many things by my stay. I stayed in Tucson for one week with a lot of girls. Towards the end of the week I grew to love and appreciate the girls as I do my friends.

The main reason for my trip was to help me learn more about our government and how it is run. I also learned that people can get along with one another and all of us can be friends, if we just try.

I want to thank everyone who helped send me.

BOYS' STATE

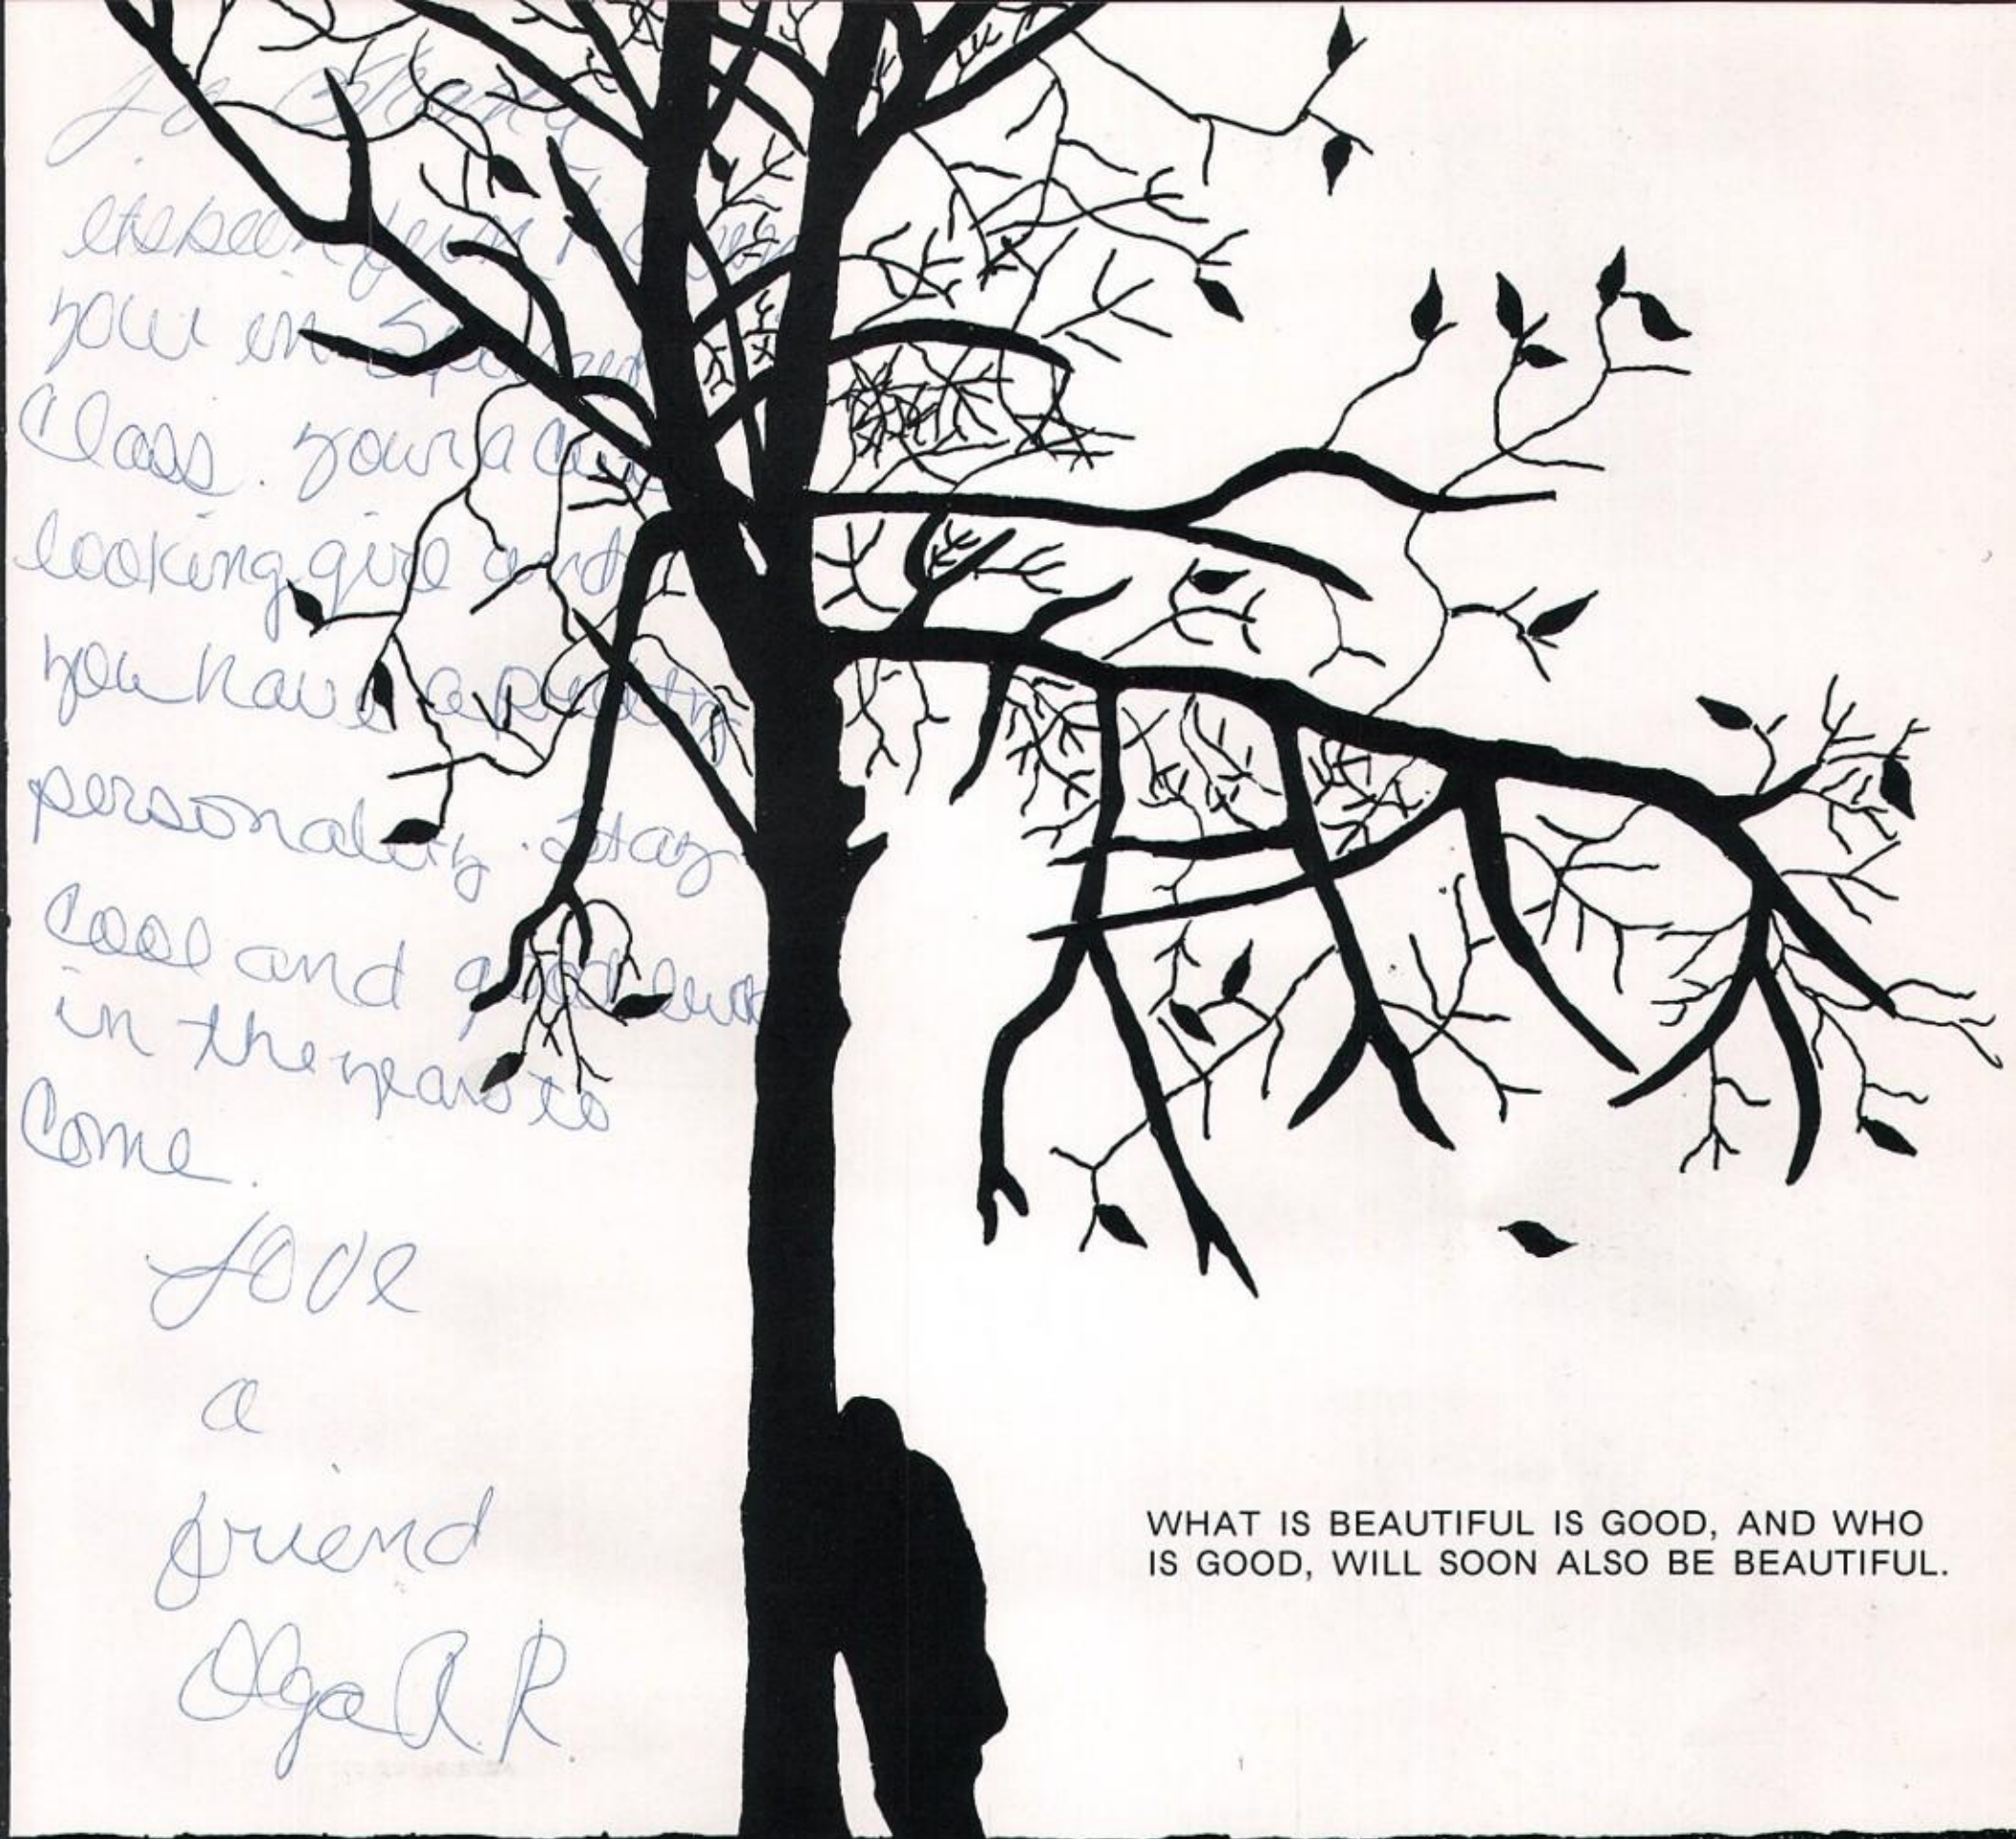

Being a Boys' Stater is one of the most prestigious and rewarding experiences that can happen to a high school student.

We set up a mythical 51st state patterned after the governmental set-up of Arizona. All types of our nation's government branches—local, state, and national—were simulated, as well as, governmental services such as law enforcement and recreation.

The most valuable asset I gained from this experience was how to get along with and work with other people. This is one thing that keeps our nation as great as it is.

We are our nation's future leaders. As problems facing our nation will soon be upon our shoulders I urge you, my fellow students, to take interest in our government and its functions for a better tomorrow.

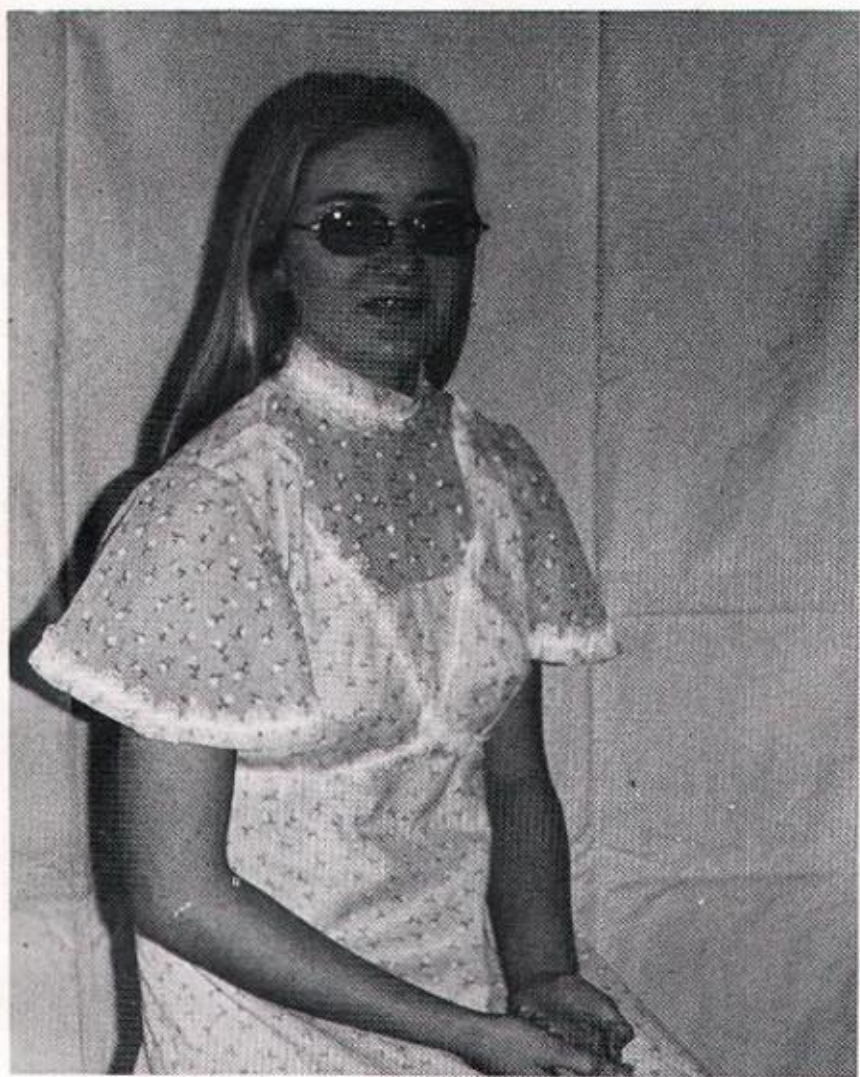

For a change
I have been
you in 5th grade
class. You are a

INITIATION

On September 5th, Freshmen slaves were sold by the Seniors.

A casual peanut race was held in front of the office. Winners were awarded with their own, personal peanut, and losers received a free sample of food coloring (ALL OVER)!

"GERONIMO!"

"45c!" "No, 75-80-95¢!"

"OH! My pants ripped!!"

SOPHOMORES

The Sophomore class of 74—75, tried to get things organized this year and did pretty well. We always have some people willing to work, and help out, but nevertheless, we couldn't do everything in one year.

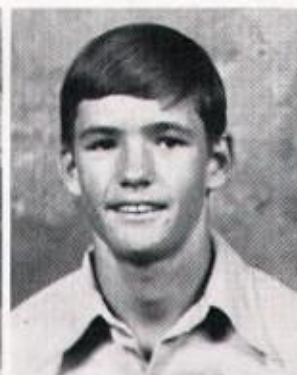

The Sophomores lined up a turkey raffle, movies, football and basketball concession stands, and made a lot of money.

We are looking forward to sponsoring the Prom for next year, and being prosperous in our Senior year.

The Rams displayed a great amount of pride in the 1974 football season. In compiling a 7—2 record they won 6 games in a row after losing the second game of the season. The Rams were champions of the South-West league and met Pima for the South title. In a hard fought contest Pima prevailed.

The Rams were represented on the all-conference first team by Robert Ramirez and Paul Smith. Those on the second team were Matt Smith, Gabriel Mavis, Kevin Gardner and Dick Hogenes. Those receiving honorable mention were Kelly Anderson and Troy Anderson.

Hey! Where's the ball?

Kelly said, "Gabe, wait give me the ball, I'm supposed to carry it!"
